Juliette's House is a nonprofit organization dedicated to supporting children and families facing concerns of abuse, neglect, and exposure to domestic violence. Our successes lead to vital positive social change and we are looking for an organized, energetic, and passionate person to join our team.

Child and Adolescent Therapist

The Juliette's House mental health program is seeking a licensed mental health provider to offer individual (and potentially group) counseling to children and adolescents who have been impacted by trauma and/or grief. The mental health provider is an integral part of the multidisciplinary team, working with our forensic interviewers, medical providers and community partners--victim advocates, detectives, and child welfare workers--to approach cases collaboratively. It takes someone special to be drawn to working with this population and we take self-care and the care of our team members very seriously.
